

Space Infrastructure Fund: Space Payload Qualification Facilities grant opportunity Board / CEO approval letter

AusIndustry – Support for Business
Department of Industry, Innovation and Science
10 Binara Street, Canberra City
Canberra ACT 2601

To the Program Manager

This letter confirms support for the project contained in the application from <insert the name of applicant organisation> for the Space Infrastructure Fund: Space Payload Qualification Facilities grant opportunity. It also confirms that <insert the name of applicant organisation> can complete the project and meet the cost of the project not covered by grant funding should our application be successful.

[Delete if not applicable] This letter confirms that <insert the name of the applicant organisation> is an entity incorporated in Australia and a trading corporation, where <insert the name of the applicant organisation>'s trading activities:

- form a sufficiently significant proportion of the corporation's overall activities as to merit it being described as a trading corporation; or
- are a substantial and not merely peripheral activity of the corporation.

The <insert the name of applicant organisation> will make the following contributions to the project:

\$ in cash

\$ in in-kind – *Any in-kind contribution will not form part of the project's eligible expenditure but will be considered as part of the response to merit criterion three.*
